PLD Sharing and Listening Session

Join PLD to hear from colleagues around the state to learn about how their libraries are handling the COVID-19 pandemic and library services while closed and share what you're doing. Ask the brain trust if you have a puzzle you're trying to work out. We'll email out a Zoom link in advance of the session. Hosted by the PLD Board.

Start a Virtual Book Club for *Because of Winn-Dixie*

You and your library are cordially invited to participate in One Book | One Minnesota through online book club discussions or other activities that resonate with your community. The title selected for the first session is Kate DiCamillo's *Because of Winn-Dixie*.

The Minnesota Center for the Book has created a [website](#) where you can download materials to help with running a virtual book club. Included are discussion guides and logos. You can also view a welcome and introduction from Ms. DiCamillo herself at the website.

In a special agreement with the publisher, the book is also available for the next 8 weeks on Ebooks Minnesota at no charge and with no limits on simultaneous check outs. Visit <https://library.biblioboard.com/categories/> and search for *Winn-Dixie* to get access. No library card is required.
