

Minnesota Society of Professional Engineers Southwest Chapter

To: Friends, Contractors, Suppliers, Colleagues and Associates
From: Justin L. Kannas P.E. - MSPE Golf Committee
 Southwest Chapter-Minnesota Society of Professional Engineers
Subject: Nineteenth Annual “Scholarship Open” Golf Outing
Date: April 9, 2018

You are cordially invited to attend the Southwest Chapter of the Minnesota Society of Professional Engineers (MSPE) 19th Annual Golf Outing Event **on June 1, 2018. Registration begins at 10:00 a.m. with a shotgun start at 11:00 a.m. The event is being held at the Litchfield Golf Club (405 West Pleasure Drive Litchfield, MN 55355).** The funds raised during this year’s event will again be used exclusively to support our Scholarship Program. Over the past eighteen years, the Southwest Chapter of MSPE has awarded over \$60,000.00 in scholarships to college students pursuing Engineering degrees from our chapter area. On behalf of the recipients, I want to thank all of you for your past and continued support of the “Scholarship Open.”

If you would like to contribute to the Scholarship program, we would greatly appreciate your sponsorship and participation in this event. Your hole sponsorship will be advertised prominently on a sign at one of the 18 holes. If you have had fun at the “Scholarship Open” in the past please notify your friends, contractors, suppliers, colleagues and associates to sign up for the event.

This year we are not planning to give out door prizes. Rather we would like to focus on the raffle event. We would like to have a handful of larger raffle items available for the event. **If you would be willing to donate an item for the raffle, please contact Justin Kannas prior to the event.** The scholarship funds generated by this event will come primarily from hole sponsorships and raffle items so anything you can contribute is greatly appreciated and a key to the event’s success.

Please fill out the enclosed sign-up form and return to Justin Kannas by May 18, 2018. Feel free to distribute to anyone you feel may be interested.

In addition to the scholarships, another primary activity that our MSPE organizes and funds is the local Mathcounts competition for grade schools in the Southwest Minnesota Chapter area. This competition includes teams of advanced math students that compete for the opportunity to participate in State and National competitions. If you would like to contribute to the Mathcounts program, you may make a contribution on the attached form.

Thank you again for your help and continued support in making this event a success! I look forward to seeing many of you on the course on June 1st!

Sincerely,

 Justin L. Kannas, P.E.
 Golf Committee
