FIRM MEMBERS:

Any firm who has Licensed Members who are actively engaged as consultants in the field of land surveying in Minnesota. The number of personnel is the number of employees in support of the land survey function over the last year, including principals, licensed surveyors, designers, drafters, technicians, clerical and other employees (excluding part-time employees) on the firm's payroll for the past calendar year. In the case of Land Surveying and Engineering firms, the prorated portion of personnel concerned with, or in general support of the surveying function should be counted. The dues are calculated as follows:
