

LTC Information Update: June 23, 2020

ANNOUNCEMENTS

❖ **FILLAKIT Transport Media Ordered from Missouri State Public Health Laboratory**

Saline media ordered from the Missouri State Public Health Laboratory (MSPHL) with labeling of Fillakit should not be used for sample collection until further notice. Facilities should place an order for replacement from the Online Order form on the SPHL's website at

<https://health.mo.gov/lab/index.php> or

<https://health.mo.gov/living/healthcondiseases/communicable/novel-coronavirus/specimen-collection-supplies.php>.

See the [memo](#) for additional information.
