INSTRUCTIONS FOR STATE AGENCIES FOR STATE -BASED COVID-19 TESTING QVL

1. The contracts may be used by any state agency of the State of Missouri for state-based testing.
2. Since multiple contracts exist, the state agency may utilize the services of any of the contractors listed herein based upon the contractor's service offerings, pricing, location, capacity, and turnaround time. The state agency will determine which contractor's offering best meets their needs.
3. The state agency should reach out to the contractor that meets their needs to coordinate the logistics for the state agency's state-based testing needs. The state agency should identify to the identified contractor the primary contact person for their testing needs to coordinate the specimen collection kits, delivery, and reporting.
4. State agencies should document for their files the basis for the contractor selected.
