EXAM & UBE ADMISSION INFORMATION & REQUIREMENTS

CERTIFICATION FOR ADMISSION

The Montana Rules of Admission require that you are certified by Montana's Character & Fitness Commission before you can sit for the bar exam or be admitted to the Montana Bar. The NCBE performs a background investigation on behalf of the Commission, but does not determine certification for admission to the Montana Bar. The Commission will not certify you for admission until receipt of the NCBE investigative summary, which takes at least 100 days from the submission of your application. Therefore, it is critical you respond to requests for information from both the Bar Admissions Administrator and the NCBE as quickly as possible as failure to do so will delay your certification. Incomplete applications will not be considered and complete applications do not assume certification.

"Certification" as used in the Rules of the Character & Fitness Commission refers to permission to sit for the Montana bar examination and be admitted to the practice of law in Montana. Your certification to sit for the exam or be admitted by transferred UBE score will be determined by the Commission on Character and Fitness after a thorough review of your application and findings of the Commission's investigation. You have an ongoing responsibility to **keep your application current**. This includes, but is not limited to, any changes to the application previously submitted, such as changes in employment, address, and most notably, any matter relating to character & fitness. Certification letters are typically mailed by hard copy thirty days prior to the examination. **No applicant may sit for the exam or be admitted to the State Bar of Montana until they have received certification from the Character & Fitness Commission. Failure to provide a complete application to the Montana Bar and to the NCBE in a timely manner may delay or prevent certification.**

SCORE TRANSFERS

It is the APPLICANT'S SOLE RESPONSIBILITY to have previous examination scores certified to the Bar Admissions Administrator.

UBE Score: A UBE score is a requirement for admission to the State Bar of Montana, unless applying by Admission on Motion. Applicants who have earned a UBE score and are seeking to transfer the score to Montana must request a UBE score transfer from the **NCBE** to Montana. More [information about the UBE and a link to request transcript services](#) is available on the NCBE website.

MPRE Score: To qualify for admission, an applicant must obtain a MPRE scaled score of 80 or higher from any testing site within three years prior to applying to take the Montana Bar Examination or no later than nine months after notification of successful completion of the Montana Bar Examination. For UBE transfer and Admission on Motion applicants, an MPRE score 80 or greater earned within 3 years prior to the date of their Montana Bar application will qualify for admission. Montana does not administer the MPRE, but [information about MPRE test dates, deadlines, preparation and study materials](#) are available on the NCBE website.

LAW SCHOOL TRANSCRIPTS

Applicants must have a certified final law school transcript showing you have received a Juris Doctorate degree from an ABA-accredited law school sent directly to the Bar Admissions Administrator's office no less than thirty days prior to the bar exam. **Applicants will not be allowed to sit for the exam and are not eligible for admission to the Montana Bar unless official transcripts have been received from your law school.**

UBE & MLS FEES

Applicants must have their examination and Montana Law Seminar fees paid in full no later than the deadline stated above. These fees pay for administration of the UBE and MLS **and are separate from and in addition to the application fee** you paid with your original application. [Fees can be paid online](#), by check or by calling the Bar Admissions Administrator at (406) 447-2210 with credit card information.

- Uniform Bar Examination (UBE) \$310
- Montana Law Seminar (MLS) \$155

DEFERRALS & NO SHOWS

If you are unable to sit for the examination or attend the MLS, you are required to submit a written request to defer **prior to the exam or MLS**. An applicant's failure to appear without first requesting a deferral in writing will result in the application being dismissed. After three deferrals, an applicant must submit a new application and pay the application filing fee. To defer to the next exam, send the completed [Addendum/Deferral](#) form to the Bar Admissions Administrator with a check or pay the [\\$20 fee online](#).

LAPTOP or HANDWRITE?

All essay answers (the MEE and MPT) may be handwritten in blue books that we provide or by using a laptop pre-registered with ExamSoft's SofTest™ software prior to the exam. There is a separate fee payable to [ExamSoft](#) for using your laptop, but it is completely voluntary and any examinee may choose to handwrite their exam rather than use a laptop. A laptop examinee may choose to handwrite once the exam begins, but a hand-writer cannot decide to use a laptop after laptop registration has closed. ALL examinees who utilize the laptop option should be prepared to hand write in case of power outages or laptop problems.

EXAMINATION INFORMATION & REQUIREMENTS

UNIFORM BAR EXAMINATION

A UBE score of 266 or higher is a requirement for admission to the State Bar of Montana. Applicants who have earned a UBE score and are seeking to transfer the score to Montana must request a UBE score transfer from the NCBE to Montana. More [information about the UBE and a link to request score services](#) is available on the NCBE website. The Uniform Bar Examination (UBE) consists of three separate exam components administered together in a single exam administration; six MEE questions, two MPT items, and the MBE. All three exams are developed by the National Conference of Bar Examiners (NCBE) and are uniformly administered, graded, and scored by user jurisdictions resulting in a portable score. The NCBE provides excellent information, study aids and preparation information regarding each of these exams.

EXAM CONTENT

The Multistate Essay Examination (MEE) is developed as a six-question essay test to be administered in one three-hour test session. The purpose of the MEE is to test the examinee's ability to (1) identify legal issues raised by a hypothetical factual situation; (2) separate material which is relevant from that which is not; (3) present a reasoned analysis of the relevant issues in a clear, concise, and well-organized composition; and (4) demonstrate an understanding of the fundamental legal principles relevant to the probable solution of the issues raised by the factual situation. The particular areas covered on the MEE vary from exam to exam, and valuable [MEE information and preparation material](#) are available on the NCBE website. The Montana Board of Bar Examiners grade the MEE and MPT and suggest examinees review their [Guideline for Acceptable Essay Answers](#).

NOTE - Effective with the February 2016 bar exam, the MEE Federal Civil Procedure subject matter outline will be modified to conform to the Multistate Bar Examination (MBE) Civil Procedure subject matter outline so that there will be one unified set of Civil Procedure specifications for both exams. Civil Procedure will appear on the MBE also effective with the February 2016 bar exam. The MEE subject matter outline for Federal Civil Procedure is shown in [more detail on the NCBE website](#). Additionally, Negotiable Instruments (Uniform Commercial Code Article 3 and the excerpts of Article 4, Bank Collections) will no longer be tested on the MEE.

The Multistate Performance Test (MPT) is a three-hour examination, with two 90-minute skills questions covering legal analysis, fact analysis, problem solving, resolution of ethical dilemmas, organization and management of a lawyering task, and communication. The MPT is designed to test an examinee's ability to use fundamental lawyering skills in a realistic situation. Each test evaluates an examinee's ability to complete a task that a beginning lawyer should be able to accomplish. More [information and study aids for the MPT](#) can be found on the NCBE's website.

The Multistate Bar Examination (MBE) is a 200-question multiple-choice test that is administered in two three-hour test sessions. The purpose of the MBE is to assess the extent to which an examinee can apply fundamental legal principles and legal reasoning to analyze given fact patterns. The exam is divided into morning and afternoon testing sessions of three hours each, with 100 questions in each session. The questions on the MBE are distributed between the following topics: Civil Procedure, Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Real Property, and Torts. Please refer to the NCBE's website for [information about the MBE](#).

The MLS is a Supreme Court-required course that will focus on the structure of the legal system in Montana, the unique aspects of Montana law and the accepted mores and culture of practicing law in Montana. The Seminar is directed specifically to those seeking admission to the Bar, and is not a CLE program. An applicant may defer attendance at the MLS, but may not be admitted to the Montana Bar until attendance at the Seminar has been confirmed. Dress is casual. If you are unable to attend the MLS, you are required to defer to the next scheduled MLS.

POST-EXAMINATION INFORMATION

GRADING & SCORING

The MEE and MPT answers will be graded by the Board of Bar Examiners using their [grading scale](#) zero to six, with six being the highest score and zero being the lowest possible score. The scores from each segment of the exam will be converted to the 400-point UBE scale and combined with the MBE scaled scores. The MEE and MPT are scaled to the MBE, which is weighted 50%, the MEE 30%, and the MPT 20%. The lowest passing combined score for Montana is 266.

RESULTS

Test Results will be sent by US Mail within 8 weeks to the last known address we have on file for you. Those who pass the exam will receive instructions for swearing-in and admission. If you do not pass the exam, you may request copies of your graded MEE and MPT exams and your MBE score along with instructions for retaking the next scheduled exam. Results may not be released early and, by rule, will not be made public until 5 days after the final grades are approved by the Board of Bar Examiners and results are mailed to examinees.

Official UBE Score Transcripts: Examinees who would like to have their certified UBE scores transferred to other jurisdictions must submit a request to the NCBE for an official score transcript. All jurisdictions that administer the UBE accept transferred UBE scores. More information about UBE scores and how to request having your score transferred can be found on the [NCBE's UBE page](#).

ADMISSION & SWEARING-IN

The Supreme Court controls the swearing in of new attorneys and sets the date for swearing in. The ceremony is held in Helena and, depending on the Court's schedule, is usually held in early May for the February exam and early October for the February exam. You will be notified of the exact date with your results letter or as soon as the date is set. A small reception will be held afterwards and friends and family are welcome. You do not have to attend the ceremony and can petition the Court to grant offsite swearing in. Information about swearing-in is available on the [Successful Applicant](#) page on the State Bar's website.
