Branch Out –
Take Your Skills to the Next Level with Visceral Manipulation...

Manual Therapy Seminars
• Learn hands-on from the original developers of the techniques.
• 3-4 day lab-intensive seminars across the US, Canada and internationally.
• Explore the dynamics of motion and suspension in relation to organs, membranes and ligaments.

Jean-Pierre Barral
DO, MRO(F), RPT, Developer

“Visceral Manipulation enables one to gain awareness of relatively ignored structures.”
- M. Nicholson, PT

“Fellow colleagues at Memorial Sloan Kettering Cancer Center can’t stop talking about how helpful your course has been in their treatment of our patients.”
- T. Fitzpatrick, PT, MBA
