

Share your knowledge and expertise with others!

We invite all Missouri PTs, PTAs, and healthcare professionals to submit a proposal to present at the 2019 MPTA Spring Conference that will take place April 12-14 at the Sheraton Westport Lakeside Chalet. You may present alone or with a group. You could share a great in-service that you've already given at your clinic, or maybe present on a technique that you are great at. You may have finished a certification, a research project or case study and want to share the information. Maybe you want to present on professional issues such as private practice issues, mentoring or billing.

We are scheduling for 2, 4 or 8-hour sessions and are offering a \$100 per hour honorarium. Please note that if in a group, the honorarium is per hour, not per presenter. There is not a requirement to be a member of APTA/MPTA to present or attend this conference.

If you, or someone you know, is interested in presenting please e-mail the submission info below to Maureen Raffensperger at raffen@missouriwestern.edu.

Submissions are due by January 18, 2019.
