STAFF INTRODUCTIONS:
President Cope welcomed Mr. Dan Lemyre and Ms. Kelly Mariotti to the meeting.

CDC GRANT OVERVIEW:
President Cope and Mr. Schankel presented the Board with an overview of the CDC contract, Establishment of Training and Certificate Programs for Mosquito Surveillance and Control, which was awarded to AMCA. The key six Tasks were presented to the Board. Mr. Schankel also provided an overview of who will be serving on the Expert Advisory Panel that will drive the content and curriculum to be developed under the contract.

Mr. Gregg Jones and Mr. Paul Silverman (both via conference call), of ACTIVATE, presented an overview of their firm and their role in the creation of the training program. ACTIVATE will moderate the Expert Advisory Panel and develop the curriculum and training for both the onsite and online courses.

The Board discussed the contract, next steps and the process for receiving the CDC funds from the contract. Mr. Schankel and President Cope told the Board that they would provide regular updates on the progress.

MOSQUITO RESEARCH FOUNDATION (MRF) OVERVIEW:

Mr. Lemyre presented an update on the current status of the Mosquito Research Foundation (MRF). Mr. Lemyre explained that AMCA is currently in control of the MRF funds, technology accounts and files.

Mr. Lemyre presented the AH proposal for next steps, which included a recommendation to obtain a legal review of the merger of the two organizations, financial audit of the MRF finances, and AH management proposal and fees.

The Board discussed the MRF history, current activity and management needs. President Cope mentioned that the AMCA
President-Elect should lead the MRF, with a committee, to ensure the MRF adds value and aligns with AMCA goals.

- **ACTION:** A motion was made to accept the AH recommendation to begin with a legal review of joining the two organizations, a financial audit of the MRF funds, and sign an agreement for AH to manage the MRF for a fee of $15,000 annually, as well as a transition fee of up to $4,000. The motion was seconded. The motion passed. Two Board members abstained.

**TREASURER’S REPORT:**
Treasurer Hatch summarized the fiscal year-end financial statement. He addressed several areas where he and Mr. Schankel will be reviewing prior to the year-end audit. The year-end audit is scheduled for late October.

Treasurer Hatch also presented the draft 2016/2017 budget, as well as a CDC contract budget, to the Board. The 2016/2017 budget, excluding the CDC portion, shows a loss of $29,760.

- **ACTION:** A motion was made to accept the 2016/2017 budget as presented. The motion was seconded. The motion passed unanimously.

**YOUNG PROFESSIONALS (YP) GROUP:**
Ms. Kristy Burkhalter, via conference call, reviewed the committee report, including plans for the upcoming annual meeting. The group is currently working with the existing 9 YP travel stipend sponsor organizations from last year, as well as 3 new ones. AMVAC has agreed to continue to sponsor the YP General Fund.

**2016 ANNUAL MEETING UPDATE:**
Vice President Walton gave an update on plans for the 2017 Annual Meeting, including highlights of selected presentations. He stated there were 14 invited symposia and approximately 250 abstracts submitted. Ms. Gosciniak also reported that we have received 22 exhibitor applications to date and that the lottery will happen in mid-October.
2020 and 2021 ANNUAL MEETING SITE SELECTION:
Ms. Gosciniak presented the board with one proposal for the 2020 Annual Meeting and three for the 2021 event.

During the 2020 discussion, Ms. Anna Liberty from the Portland CVB, presented a brief overview of Portland and their proposal. The Oregon Mosquito & Vector Control Association, with support from the Northwest Mosquito and Vector Control Association, will serve as the Local Arrangements Committee (LAC).

- **ACTION:** A motion was made to accept Portland as the venue for the 2020 Annual Meeting and Oregon Mosquito & Vector Control Association as the host LAC. The motion was seconded. The motion passed unanimously.

During the 2021 discussion, presentations were made for three potential venues.

The first was Mr. Shaun Murphy of the Gaylord Opryland Resort in Nashville, TN. The Tennessee Mosquito and Vector Control Association (TMVCA) was the proposed LAC.

The second presentation was by Ms. Elke Opsahl of the Salt Lake City Salt Palace Convention Center, Salt Lake City, UT. The Salt Lake City Mosquito Abatement District was the proposed LAC.

The third presentation was by Ms. Virginia DeVissher, of Tourism Winnipeg, and Mr. Ken Nawolsky, of the Insect Control District of Winnipeg. The Insect Control District of Winnipeg was also the proposed LAC.

The Board discussed the three options and voted to eliminate one city, then voted for the final venue selection.

- **ACTION:** A motion was made to accept Salt Lake City as the venue for the 2021 Annual Meeting and Salt Lake City
Mosquito Abatement District as the host LAC. The motion was seconded. The motion passed unanimously.

EPA BOOTH REQUEST:

Ms. Susan Jennings of the Environmental Protection Agency requested free booth space at the annual meeting so they can reach out to operational mosquito control professionals and discuss real world pesticide use patterns (droplet size, rates, aerial release heights, etc.). The Board discussed the pros and cons of this request.

- **ACTION:** A motion was made to approve a complimentary booth space for the EPA at the 2017 Annual Meeting in San Diego, predicated on the following conditions:
  - The EPA will provide AMCA with a pre-meeting plan that we may use to publicize the EPA's participation at the Annual Meeting. This plan should be in a concise paragraph or two that makes it clear what the EPA's objective is at the meeting, while also providing our members with an opportunity to ensure they are prepared to best support the EPA's efforts.
  - The EPA will provide a follow up report on its findings at a small group session with select AMCA leadership, to be held on the final day of the Annual Meeting.
  - The EPA will register their attendees and pay the associated rate (member or non-member) as outlined in the Annual Meeting Registration system.

The motion was seconded. The motion passed – 12 Yes, 2 No.

AWARDS COMMITTEE UPDATE:

Past President Linthicum reviewed the current list of submitted nominations for all of the awards. The Awards Committee will be making recommendations to the Board in the near future pending final committee approval. The Board decided that the number of nominees should be limited for certain awards to maintain the prestige of the awards.

- **CHARGE:** Past President Linthicum will send the Board a full slate of recommended award nominees for a Board vote.

- **ACTION:** A motion was made to approve only one Industry Award winner per year. The motion was seconded. Motion failed – 6 Yes, 7 No, 1 Abstention.

**LEGISLATIVE COMMITTEE REPORT:**
Ms. Angela Beehler and Dr. Karl Malamud-Roam (via conference call) summarized the activities of the Legislative & Regulatory Committee.

**MEMBERSHIP COMMITTEE REPORT:**
Mr. Schankel summarized the results of the last Membership Committee call and stated that the group would like to promote individual membership to pest control companies, but should wait to potentially utilize the CDC training as a hook and benefit for this group.

**COMMUNICATION PIECES FROM ADAPCO:**
Mr. Jason Trumbetta, Vice President of Sales, ADAPCO, (via conference call) presented a partnered communication piece titled, *Mosquito Control: What we are doing & the science behind it*, to be shared with local Mosquito Control Districts. He presented a brief overview of the initiative and presented two draft versions of the communication.

**CHARGE:** Mr. Schankel will provide the Board with the two electronic drafts and ask for feedback from them. The feedback will be compiled and presented to ADAPCO to adjust the selected draft and finalize the communication.

**EMAIL SECURITY DISCUSSION:**
Mr. George Rears, AH Vice President, Technology Solutions, (via conference call) presented an overview of solutions for a recent email security concern received by the AMCA Board of Directors.
ACTION: A Motion was made for AH to create and set up email aliases for all Board members to be published online. The motion was seconded. The motion passed unanimously.

HONORARY MEMBERSHIP DISCUSSION:
President Cope presented a request from a member to be removed as an honorary member in order to allow others to receive the honor. The current by-laws state there is a limit of 15 members who can hold this distinction.

- CHARGE: The Membership Committee should review the current status of the Honorary Members and propose a by-laws change to address removing the limit on this category. The by-laws change should be forwarded to the Bylaws & Policy Committee for a vote during the Board Meeting at the 2017 Annual Meeting.

NATIONAL MOSQUITO Control AWARENESS WEEK:
President Cope presented the Board with request to investigate changing the dates of the National Mosquito Control Awareness Week from June to a date when schools were in session. The Board debated the subject but decided to leave the dates as the same time they are now and no further action is required.

REGIONAL DIRECTOR REPORTS:
The Regional Directors gave a brief overview of their activities and events that they have attended or plan on attending in the near future. A brief summary is as follows:

- Mr. Duhrkopf, South Central Director, reported that he attended the Arkansas Meeting for Zika Preparedness, Texas Mosquito Control meeting and will attend the Louisiana Mosquito Control Meeting in October. He also stated he will be retiring in the Spring of 2017.
