

The Classes of the College of Veterinary Medicine at the University of Missouri are proud to present:

The David Auxier Memorial Clay Day

When: Saturday, May 18, 2019 from 9am to noon

Where: Prairie Grove Shotgun Sports
1420 County Road 276, Columbia, MO

On September 13, 2018, the MU CVM Class of 2020 lost a beloved friend and classmate to a tragic accident. David was always one to bring a smile and laugh to everyone around him. He also loved the shotgun sports, and even shot competitively while growing up in rural Missouri. This event is to celebrate his memory and provide an opportunity to donate to the David Auxier Memorial Scholarship for veterinary students. This scholarship was created by David's family to honor his memory.

This event is replacing Guns n' Grub, and here are the key points for this year:

- This is not a tournament. It is simply an opportunity to gather and celebrate David.
- There is no registration fee this year. Any courses shot will be paid directly to Prairie Grove and you pay for only the courses you elect to shoot.
- You may arrive anytime between 9am – noon and begin shooting. You do not have to shoot and can attend simply for the good company or to support your friends/family who are shooting. David loved the sport, and we hope this event is enjoyable for everyone who attends.
- There will be no lunch served this year. There will be light breakfast items and beverages provided by a sponsor soon to be announced.
- You will need to provide your own firearm and ammunition. All shotgun ammunition must be 7.5 shot or smaller.

Special Pricing for Event Participants:

- Skeet (25): \$6.25
- Trap (25): \$6.25
- 5-Stand (25): \$8.00
- Bunker Trap (25): \$8.00
- Sporting Clay Course (50): \$17.50

Donations:

The above pricing only includes the cost for each course. Donations made to the David Auxier Memorial Scholarship would be greatly appreciated. If you are unable to attend and would like to donate:

- Please send checks made payable to:
