EMERGENCY MANAGEMENT AND PUBLIC HEALTH COMMITTEE

This Committee Shall:

1. be composed of at least twelve (12) veterinarians of which three (3) will represent companion animal medicine, three (3) equine medicine, three (3) ruminant medicine, and three (3) swine medicine;
2. investigate the prevalence and incidence of animal diseases throughout the State and advise the MVMA membership and other persons of important disease problems;
3. provide recommendations for disease control programs as necessary to regulatory officials in federal and state government;
4. submit an annual report to the MVMA Executive Board and membership.

All actions of the Committee are subject to approval of the MVMA Executive Board.
