

List of Fee-For-Service Issues Related to Clinic Institutional Billing  
January 11, 2019

<u>Number</u>	<u>Situation</u>	<u>Status</u>	<u>Resolution If Resolved</u>	<u>Notes</u>
1	Other payers (except Medicare) not accounted for when adjudicating FFS claims, causing overpayments	Fix Requested		System enhancement required (CQ 92029). Payments by other insurers are not being taken into account. Fix in production, release on 3/22/2019
10	T1015 (RHCs) billed and being paid PPS without any Qualifying Visit on the claim	Fix Requested		Biller "B" Aware issued 06/28/2018 on topic. Will void PPS payments made on T1015 without a Qualifying Visit. Fix in production, release on 3/22/2019
3	Dental reimbursement inconsistency, paying the reported amounts instead of the PPS	Fix in queue		Update logic to disregard submitted charges for FQHC/THC dental invoices to pay PPS less MA/OI. Minimal financial impact. Fix proposed for June 2019.
