BALLOT MEASURES

Constitutional Amendment 2 (campaign contribution limits) – Support

Constitutional Amendment 3 (taxes on cigarettes) – Oppose

Constitutional Amendment 6 (voter I.D.) – Oppose

In our effort to build a better life for all working Missourians, we proudly endorse these candidates. Each one of these candidates will use their elected positions to stop dangerous legislation funded by out-of-touch millionaires and billionaires, such as so-called "right-to-work" and paycheck deception. Equally importantly, each will work to implement legislation that promotes investing in Missouri's jobs, roads and bridges, public education, work place safety, and better wages for all, union and not.

– Mike Louis, president, Missouri AFL-CIO
