If MPE does not have any applicants from a congressional district *or applications that meet minimal point requirements*, MPE will award that scholarship to the next highest ranked applicant from the state at large. In the event of a tie, the applicant with the most years of MPE membership will be awarded the scholarship.

The scholarship will be paid directly to the Mississippi college or university at which the non-certified personnel is enrolled or plans on attending if he/she receives the scholarship. A scholarship recipient will not be eligible to re-apply for a subsequent MPE Non-Certified Personnel Scholarship if he/she withdraws from coursework or does not maintain at least a "C" average.

MPE will invite all scholarship recipients to be our guest at MPE's 2020 Best Practices Symposium on April 4, 2020, in Jackson. MPE will pay mileage expenses and will waive registration fees for all Non-Certified Scholarship recipients.
