As I embark on my journey as the President of Mississippi Professional Educators, I am honored to stand with each one of you in our shared mission to promote the highest standards in education for the students of Mississippi. Our guiding principles unite us in our pursuit of excellence, and together, we will make a lasting impact on future generations.

The words of Margaret Mead come to mind: “Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.” This quote embodies the spirit of collaboration and dedication that drives our organization.

I extend my heartfelt gratitude to our P-12 educators for their tireless commitment and to those who have mentored and contributed to the Institutions of Higher Learning Teacher Preparation Programs. Your leadership and support are essential in shaping the future of education in Mississippi.

In these challenging times, we must work collectively to advocate for and empower educators, ensuring an exceptional and equitable education for every student in our state. By addressing concerns, offering relevant, high-quality professional development, and cultivating safe, nurturing environments, we will enable all students to flourish.

United in purpose and grounded in a spirit of collective efficacy, we will create a brighter future for the children of Mississippi.
MPE's liability insurance and employment rights protection package helps free you from worries about job security so you can concentrate on performing and growing as a professional. No one ever expects to face legal problems as a professional educator, but it happens. The staff and attorneys that serve you through MPE have many years of experience and are just a toll-free call away and stand ready to serve you.

What happens if I have an employment related problem?

Simply pick up the phone and call our office at (800) 523-0269 to speak with your Executive Director. If you have problems or questions about employment that involve salary, dismissal, contract non-renewal, or actions involving suspension, cancellation, or revocation of licensure by the State Board of Education, you should speak with the Executive Director to confirm that an attorney is needed and appropriate at the time. MPE works with attorneys that have extensive experience with problems like the one you face. Failure to provide advance or timely notice could result in denial of benefits.

What activities are covered by the insurance policy that covers eligible MPE members?

MPE’s policy covers activities of eligible members in the course of their duties of employment with an educational institution or activities in an accredited teacher education program. This includes assigned duty outside the regular school day or term.

Who is covered by the policy written for MPE members?

Covered members include eligible professional and non-certified members in their employment by an accredited educational institution. Covered members also include student teacher members or interns enrolled in an accredited college or university engaged in student teaching and/or field experience.
