Awards - Matt Purkins and Corey Smith, Co-Chairs
Recognizes members for a variety of MRPA and Branch awards; quarterly and at the MRPA Annual Conference. Evaluate and recommend changes to the awards as warranted.

- Awards Committee was very busy in March and April as our Prize Patrol travelled around the state presenting the MRPA legacy awards that would have been presented at the 2020 and 2021 conferences.
- On March 10 Chuck Montrie joined us at Patterson Park in Baltimore to present Bob Wall with his Retired Life Award. Bob and his wife Vicky were walking through Patterson Park where they were surprised by the Prize Patrol and several former co-workers of Bob’s from Baltimore City.
- On March 10 we were joined by our Vice President Jen Mogus, Conference Co-Chair Emily Lawrence and Retired Lifer Steve Schwarzman at Cromwell Valley Park in Baltimore County. Jeffrey Ruark and his wife Kim were enjoying a morning hike when they happened upon the Prize Patrol and Jeffrey was presented his Retired Life Award.
- After some rainouts the Prize Patrol travelled to Western Regional Park in Howard County to surprise John Byrd on March 25. Immediate Past President Holly Harden and members of the Howard County staff were on hand to surprise John and his wife Melinda on their daily dog walk. John was the last of the three 2020 Retired Life winners who we presented to.
- We were really busy the week prior to conference. On April 6 the Prize Patrol descended upon Baltimore County Recreation and Parks headquarters in Cockeysville. Chuck Montrie again joined us as we awarded Pat McDougall the Distinguished Fellow Award. This presentation occurred during a virtual staff meeting and we were surprised by members of the Baltimore County management team who joined us in person.
- April 7 we travelled to the home of Doug and Katrina Meadows to present Katrina her Retired Life Award. Mary Beth Dugan, Retired Lifer Kathy Garrity, and Awards Committee member Debby Huffman paraded through the streets of St. Leonard with horns honking to rouse Katrina from her home to see what was going on.
- Finally, we concluded Prize Patrol duties for 2021 by travelling to the Fallston Maintenance Center in Harford County to surprise Dave Goodwin with the Distinguished Fellow Award. Chuck Montrie and Jen Mogus were again in attendance to represent MRPA. Dave’s wife Jean and members of Harford County Parks and Recreation took part in the presentation. Dave also received a proclamation from Harford County Executive Barry Glassman.
- Unfortunately we couldn’t get our schedules to work out but Kris Mervine presented Don Kuklinski with the MRPA Citation Award. Don retired last year after a 30 year career with Baltimore County.
- Special thanks to Stephen Parks and Jim Jones (Baltimore County) for taking photos at our presentations.
- Awards Committee was very busy! We worked with the three branches on two years’ worth of awards as well as with John Nissel and Holly Harden on their presidential awards. This is on top of Member of the Quarter Awards and the Member of the Year. All awards were ordered on behalf of the branch or President. And we ordered gavels for incoming the incoming president and branch chairs, as well as plaques for the last two years of outgoing presidents and chairs. Now we begin planning for the 2021 Agency Showcase.

Following legislation is being followed or anticipated:

- HB321 Adult Changing Facilities – this bill has been passed both the House and Senate. Requires, except under certain circumstances, that changing facilities suitable for the diaper of a child and providing personal care for an adult be installed in certain public restrooms in certain public buildings by 10/2/2022. Reporting and communicating location of these sites also included.

Respectfully Submitted: Michele Potter, Finance Chair
- HB109 – Swimming Pool/Spa Standards – this bill has crossed over to the Senate and will be monitored.
- HB333 Marine Contractor – a hearing in the Senate took place on 3/24. No vote has been taken.
- HB458 Visitor Behavior Policy – bill has been amended and excludes the mention of tying park behavior policy to Program Open Space. The bill has not crossed over so passage is doubtful. If passed, Counties would be expected to publicize and/or develop park behavior policy outlined in the bill.
- HB472 Glyphosate – this bill is dead.
- HB857 Synthetic Turf Custody – Unfavorable report by Environment & Transportation committee on 3/20/21. It will not pass during this year’s session but will likely be revisited in some form in the future.
