### Accreditation and CME Information

The MSACOFFP is presenting this program in cooperation with the Missouri Association of Osteopathic Physicians and Surgeons (MAOPS). MAOPS is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. MAOPS designates this program for a maximum of 4 AOA Category I-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

### Attestation and Outcomes Survey

Attendees will complete a post seminar evaluation and attestation via online survey. Your attestation is required in order to award proper CME credit. Without completed attestation, NO CME credit will be awarded. It will be the responsibility of the physician to honestly complete the attestation.
