## Description

Whether you are competing for a championship sports title or practicing medicine, there are consequences for crossing the line. In this course, physicians and other healthcare professionals will hear the professional liability considerations associated with personally and professionally stepping out of bounds. The information and examples will help you stay in the game.

## Objectives

Participation in this seminar will better enable participants to:

- Explain the relationship between physician-patient boundaries and professional liability risks
- Identify a previous encounter where expectations were not met
- Recognize the need to apply an internal or external boundary in a patient scenario

## Save Up To 5% on Your Premium\*

Participation in this loss prevention live seminar may qualify physicians for a 5 percent premium credit if they attend the full two-hour program. Contact your ProAssurance representative to see if you qualify for this premium credit under our comprehensive system of discounts and rewards for loss prevention seminars. Premium credits are subject to approval by the state insurance department and are applied at policy renewal.

A physician not currently insured with ProAssurance may earn premium credit if he or she becomes a ProAssurance insured within one year of attending a seminar.

## Earn up to 2.0 CME Credits\*\*

ProAssurance Indemnity is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ProAssurance Indemnity designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only credit commensurate with the extent of their participation in the activity.
