Linemen are the backbone of the electrical utility industry. A vital asset to the Natchez Trace Electric Power Association, they serve to provide the best customer service possible to our members. This often requires working through damaging storms, being adaptable to handle any customer issue that might arise, and going the extra mile to surpass expectations. At Natchez Trace Electric Power Association our linemen are responsible for the upkeep of 40,000 poles, 2,100 miles of constructed line, and nearly 16,000 customers. We are proud to support the linemen who have done so well at accepting and embracing the high standard of their professions. OCTOBER IS COOPERATIVE MONTH.

Working for a brighter future for Montgomery County.

Ryan Wood with wife, Laura, and children, Lennon Kate and Hudson

A candidate with the right experience.
Serving as Mayor of Kilmbach since 2009, I have years of experience in public administration and public policy. I am resourceful in seeking alternative revenue sources to keep taxes low. I am proficient in budgeting, finance, and grant application and facilitation. I also am seasoned in community promotion and development recruitment.

A candidate who puts the county first.
If elected, I will perform my duties as Chancery Clerk and any other duties required -- inventory clerk, purchasing clerk, county administrator, comptroller -- at no additional cost to the county. This will save the county THOUSANDS of dollars each year.

A candidate who shares your values.
I am the proud father of two children I have chosen to raise in my hometown and my home county. Montgomery County needs a Chancery Clerk who will lead with the future in mind, while preserving the all the things we hold dear about this community.

On August 4, vote

The Star-Herald presents the
Readers’ Choice Awards
2015

The readers of The Star-Herald have selected their Best of the Best in this 2015 Readers Choice Awards keepsake edition.

The Star-Herald in December and January distributed more than 17,000 ballots that featured more than 100 categories of businesses and service professionals. More than 700 readers and Central Mississippi residents participated in this survey, casting approximately 20,000 individual votes.

We hope you enjoy this special section and encourage you to visit the many grateful businesses herein that made this project possible.

We Salute Our Fallen Soldiers

On Memorial Day, we pay special tribute to the men and women who served and sacrificed to protect the lives and freedoms of Americans. We celebrate their courage, honor their memories and thank them for all they gave. Their legacy lives on and we will never forget them.
