14	Class E	Political Ad - Color	1st Place	The Yazoo Herald	Sheila Trimm Young	Judge Bennie Kay Warrington	An award winner from the second I saw it. A couple technical points, though: The use of all caps on qualified and experienced conflicts with the lower case used on the bullet points above them. The gavel was a good graphic to use for the bullet points. And the judge's photo makes this a top choice. He looks imposing. It's eye catching and I like the ad with no boxed border around it. I would say most folks who see this ad and go before this judge would remember that imposing presence.

15	ALL DAILIES	Automotive Ad - B&W or Color	1st Place	Enterprise-Journal	Stacy Godwin	Smith Bros. Collision	Beautiful ad. "Accident Damage ERASED" tells us all we need to know about this advertiser. The light color at the top of the ad draws attention to it. Love how the vehicle shines. Your advertiser should have been well pleased with this one.

15	ALL WEEKLIES	Automotive Ad - B&W or Color	1st Place	Pontotoc Progress	Chelsea Williams	Service Supply	Love it! One theme, one large photo, all tied to the same message. Very sharp blue background layout works well behind the large photo. What do we learn from this ad? There's a filter and tool sale, with big savings, and we need to be there. Only suggestion would have been to include some tools in the photo rather than all filters.
