I. Report Date: September 2023

II. MLA-L Mediator

III. Special Officer: Stephen Landstreet

IV. Board Action Required: None

V. Brief Summary of Activities: Only one list incident requiring intervention occurred since the last board report, which was resolved satisfactorily.

VI. Alignment with the 2022-2030 Strategic Plan Objectives:
The role of the MLA-L Mediator rides on the success and importance of MLA-L itself, which is critical to MLA’s Values of: Advocacy, Collaboration, and Community. The Mediator should help to support DEIA (Goal Area 1, Objective 1.2; GA 3, Obj. 3.4 and 3.6) as well as GA 4, Obj. 4.1).

VII. Implicit Bias Testing Reporting: No tests taken during the past 12 months; however, I will rectify that this fall.
