

- I. Report Date: May 14, 2021
- II. Name/Office: Jacey Kepich, Newsletter Editor
- III. Committee Members: (none)
- IV. Board Action Required:

I'd like each board member to consider contributing to the newsletter on a rotating basis. Input and ideas are welcome; my goal is to feature a different board member in each issue to provide a brief snapshot of their role and how they serve MLA.

As the newsletter adapts to a new format, it may be worth re-evaluating the purpose and intent of newsletter and blog now that both are on WordPress.

#### V. Brief Summary of Activities

Notified membership of MLA Newsletter Issue 208 released on April 19, 2021.  
Received positive feedback from several members.

I'm continuing to refine my workflow and troubleshoot WordPress with web editors, as we've had some difficulty with formatting and author accounts.

VI. Implicit Bias Testing Reporting: I have completed the requested activities.
