

- I. **Report Date:** May 2021
- II. **MLA-L Mediator Officer**
- III. **Special Officer:** Stephen Landstreet
- IV. **Board Action Required:** None
- V. **Brief Summary of Activities:**
 - The interview for this new position was done in January 2021 and the appointment was made in February. Since I was the only candidate for either position the decision was made to put off searching for an Assistant Mediator for the time being.
 - Shortly after the conference, some mild intervention was necessary in three instances (two via MLA-L and one off-list to the posters). Since that time nothing problematic has happened on the list.
 - In consultation with Liza a decision was taken to postpone a planned membership town hall on MLA-L until sometime after the town hall on the new strategic plan.
- VI. **Implicit Bias Testing Reporting:** Completed January 2021
