You are cordially invited to attend the Fall meeting of the New York State/Ontario Chapter of the MLA to be held at the State University College at Potsdam on Friday, October 8, 1976. The enclosed maps will assist you in finding the campus, Crane Music Center, and parking areas. Any portion of the shaded areas on the campus map may be used for parking, as the college will be in recess that weekend.

Joan Falconer, our Program Chairman for this meeting, has arranged a program dealing with two topics of importance to all of us. Karl van Ausdal, Don Seibert and Don Robbins will conduct a session on OCLC cataloging, and we know that this subject will provoke considerable discussion! Norma Jean Lamb will present a "show and tell" description of some of the treasures in the music collection at Buffalo and Erie County Public Library. This library is particularly noted for its holdings of American popular music. (see verso for program)

We regret that motel space is not available October 8th. All motels in the area have been booked by St. Lawrence University in nearby Canton for their Parents' Weekend. Rooms are available, however, on Thursday night, October 7th, in the following motels:
