Invites You to
THE SPRING MEETING of the

The meeting will be held Monday, April 18, 1977, and we anticipate a good turnout. Housing accommodations may be arranged by you at the following establishments, all of which are in Poughkeepsie (12603), area code 914:

A map is enclosed with this announcement. One correction for it: Route 44-55 is not currently Church Street because Church Street has a large hole in it where it used to have a hill. Just follow the route signs and it will all work itself out.

If you need help getting here from the train depot, let us know in advance and we'll set up a shuttle. There is an airport here, too. If necessary, we could set up a shuttle for it. Just let us know.
