HELP!

A new editor for the Newsletter is urgently needed. The Chair is doing it this time, but as soon as somebody else is elected to that august position, she intends to go back to taking care of her duties on the MLA Filing Rules Sub-committee, not to mention working on the Dickinson Library again. Please, somebody take over the Newsletter! Our former editor is happily enrolled in library school at the University of Michigan and won't be back.

SPRING MEETING

The Spring chapter meeting was held in Skinner Hall, Vassar College, Poughkeepsie. About thirty members and friends were in attendance, despite the threatened strike at SUNY. The weather was good, Alumni House came through with a very high-quality luncheon, and everyone seemed pleased with it all. The program consisted of an open forum on cataloging and classification chaired by Don Selbert of Syracuse, and a talk by Edward R. Reilly, Chairman of the Vassar Music Department, on the problems and rewards of looking for Mahler manuscripts. The day ended with a business meeting and a reception in the reading room of The George Sherman Dickinson Library.

MINUTES

Minutes of the business meeting, April 18, 1977, Virginia Gifford presiding.

The business meeting was called to order at 3:15 p.m. by Chair Virginia Gifford. The members voted to dispense with the reading of the minutes of the previous meeting, and the treasurer reported a bank balance of $38.00. Chair Gifford then announced that the proposed NYS/Ontario Chapter MLA constitution had been approved.

First among new business items was a discussion of the 1977/78 Fall and Spring meetings. The Fall meeting will be in Binghamton in mid-October. The Spring meeting is scheduled tentatively for Syracuse.

Chair Gifford announced that a new editor is needed in the Fall for the Newsletter because of the impending departure of Rick Teller for graduate school. Announcements were made of upcoming meetings of the New England and Greater New York chapters.

After brief discussions of the need for closer contact with Canadian colleagues and the possibility of meeting once a year for two days, the business meeting was adjourned at 3:55 p.m.
