FROM THE CHAIR

It seems impossible to realize that almost two years have elapsed since I assumed my duties as chair of the Midwest Chapter. I can honestly say that serving the chapter in this capacity has been the high point of my professional career. I've enjoyed being so involved in chapter happenings and have gotten to know so many wonderful people! I feel, now more than ever, that the Midwest Chapter is a very special organization with very special people as members! The collegial relationships one makes in the Midwest Chapter are very gratifying; and I know that many of us have also developed strong friendships with members of other chapters as well.

Thank you to all of you; I will look forward to doing everything I can to provide Leslie Troutman with a smooth transition when she takes office, and I will certainly continue to do everything I can to keep the Midwest Chapter the enthusiastic, supportive organizations that it is! [See p. 3, col. 1-Ed.]

I look forward to seeing all of you in Lexington! Lew Bowling and Leslie Troutman have put together an exciting program, so don't miss it! See ya all there!

MIDWEST CHAPTER
ANNUAL MEETING 1993:
LEXINGTON, KENTUCKY,
21-23 OCTOBER

Meeting Sites:
The main site for this fall's annual meeting in Lexington, Kentucky will be the Harrods Hotel, 2143 N. Broadway, Lexington, KY 40505 (telephone number: 800-321-3323). Located on the north side of Lexington at exit 113 of I-75 and I-64, the hotel offers many extra features: Sige's Restaurant and Lounge with live entertainment, lighted tennis courts, putting green, shuffleboard, indoor/outdoor swimming pools, exercise room, whirlpool, saunas, and complimentary coffee in the lobby. There is also free parking and free shuttle service to and from the airport. The room rate for the meeting is $39.00 flat rate per room; please indicate that you are with the MLA when you make your reservations. A reservation card facsimile is located elsewhere in this issue. This price is also good for anyone wishing to come before or stay after the meeting dates.

In addition to the Harley, we will be meeting at two other locations. The first session and the reception will be at the Lexington Public Library, a four-year-old facility in downtown Lexington that was featured several years ago in American Libraries. Friday afternoon's session will be at Shaker Town, a nineteenth-century village.

Program Highlights:
Friday afternoon we will be traveling to ShakerTown at Pleasant Hill for a tour, a program of Shaker music, dinner, and session number three.

Shaker Town is a preserved, 19th-century Shaker village, which also has a very good convention facility. Our dinner there will be Combination Fried Chicken and Country Ham with an appetizer, salad, three vegetables, dessert, and beverage.

Our meeting sessions promise to be interesting, entertaining, and enlightening. The Kentucky sessions, Thursday and Friday nights, will cover bluegrass music, John Jacob Niles, the folksong singer/composer, and the Alfred Corrot Rare Book Collection. The "library" sessions will deal with "Personnel Matters in the Music Library" and networking, topics that are at the same time timely and timeless.

Traveling to Lexington:
By Plane: Those flying into Lexington will have an easy time getting to the hotel, since the Harrods provides complimentary shuttle service. Just call 299-1261 when you arrive. If you plan to rent a car when you arrive, when you leave the airport drive make a left turn onto Man.'-War Blvd. Almost immediately you will come to a traffic light; turn right onto Versailles Rd. (pronounced Ver-sales). After about a mile, take the exit onto New Circle Road North (Highway 4). Take the Broadway/Northern Parkway (Highways 68 & 27) to the left, go under the I-75/1-64 underpass, and the Harrods will be at the first drive to the left past the Interstate entrance.

By Car: If you come from the north on I-75 or from the west on I-64, take exit 113 (Highways 68 & 27), turn left, go under the Interstate overpass, and take the first drive to the left past the Interstate entrance. If you are coming from the northeast on Highways 68 & 27, turn right at the last drive before the I-75/1-64 entrance.

By Bus: The Greyhound Depot is close to the hotel; just call 299-1261 and someone will pick you up.

By Train: Sorry, you can't get here from there! (i.e., from anywhere!)

Weather in the Bluegrass Country:
Late October here is usually quite comfortable, but even in the South you can never be sure. That really means anything from the 80s to the 40s with odds on the 70s. Also, it can be dry as a bone or a constant downpour. I would suggest a jacket with an umbrella or raincoat for insurance. The Local Arrangements Committee are doing their best to propitiate the weather gods before we arrive.
CHAPTER TO ELECT NEW SECRETARY/TREASURER
Linda Hartig and Marty Jenkins
Are Nominated

The Nominating Committee has announced that they have nominated two chapter members to run for the office of Secretary/Treasurer of the Midwest Chapter. The term of Sue Ellen Stanecu, the current Secretary/Treasurer, will expire at the end of the business meeting in Lexington. Biographical sketches of the two candidates (submitted by them) are printed below. A ballot for your voting is included at the end of this issue, and the by-laws provide that every member of the chapter is eligible to vote by mail or in person at the annual meeting. The ballot can be returned by mail to: Sue Ellen Stanecu, Secretary/Treasurer, Midwest Chapter, MLA, Indiana University Music Library, Bloomington, Indiana 47405. To be sure of being counted, ballots must be received by 19 October, marked "Ballot" under your return address on the envelope.

Linda Hartig is Music Librarian at the University of Wisconsin-Milwaukee. She received her Bachelor of Music in flute performance and a Master of Arts in Teaching degrees from the University of Oregon. Her Master of Library Science degree from the University of Wisconsin-Milwaukee, and a Doctor of Philosophy degree in musicology from Michigan State University. Prior to accepting her position at the University of Wisconsin, Linda was Director of the Library at Nashota House (Wisconsin). Linda teaches courses in music librarianship and graduate seminars in the history of musical styles at UWM. She is also a lecturer in flute at Carroll College (Waukesha, Wisconsin).

She wrote Violet Archer: A Bibliography, which was published in 1991 in the Greenwood Press "Bibliographies in Music" series. As a member of the Midwest Chapter, Linda has served as a member of the Public Services Committee, hosted the chapter meeting in Milwaukee in 1992, and chaired the nominating committee in 1992. She is also a member of MLA, the Wisconsin Library Association, and the Wisconsin Association of Academic Librarians, the Music OCLC User's Group, the NOTIS Music User's Group (co-chair, 1991-92), the American Musicological Society, and the National Flute Association.

Marty Jenkins is Music Library Coordinator at Wright State University in Dayton, Ohio. He has been a member of MLA since 1988, attending 4 of the last 5 national meetings and 3 chapter meetings (Southeast and Midwest). Marty holds a Master of Library Science degree from the University of Illinois and a Master of Arts degree in Musicology from the University of North Carolina-Chapel Hill. He did his undergraduate work at Ohio State University. Before returning to Ohio, Marty was Visiting Music and Fine Arts Librarian at Illinois Wesleyan University. Marty is a frequent participant in MLA-L and has had contributions mentioned three times in the "E-mail digest" column of the MLA Newsletter. His research interests include Sousa, British brass bands, and the music of early-20th-century Britain. In addition to MLA, Marty belongs to the Library Instruction Round Table of ALA, the Academic Library Association of Ohio, the North American Brass Band Association, the Sonneck Society, and the American Musicological Society.

MLA CONTINUING EDUCATION WORKSHOP:
COPYRIGHT LAW AND THE MUSIC LIBRARY IN THE AGE OF TECHNOLOGY

The MLA Education and Legislation committees are planning to sponsor a copyright law workshop on 2 March 1994, from 9:00 A.M. until 4:30 P.M., at the Kansas City Ritz Carlton Hotel, as a "pre-conference workshop" before the 1994 national meeting. Laura N. Gasaway, Professor of Law at the University of North Carolina-Chapel Hill and Director of the UNC-CH Law Library, will conduct the workshop, which will present an overview of the current status of the U.S. Copyright Law and its impact on library services. The program will cover: basics and copyright law, copyright status of print, audiovisual, and electronic media, evaluation of potential uses of copyrighted materials in libraries, considerations for formulating institutional policies, Congressional and ALA guidelines, and recent court decisions on copyright infringement and libraries and educational institutions. Music materials and the concerns of music librarians will be emphasized.

The registration fee, which will include a copyright booklet, is tentatively set at $65. The maximum number of registrants will be limited to forty-five, and registration will be by materials sent with annual meeting information in November.
CHAPTER RECEIVES FUNDING
MLA BOARD SUPPORTS MIDWEST EXCHANGE PROGRAM
Allie Wise Goudy, Midwest Chapter Chair

I am very pleased to announce that, at their June 1993 meeting, the MLA Board of Directors has voted to fund a proposal submitted by the Midwest Chapter for a music librarian exchange/visit program within the chapter. The acceptance of this proposal offers chapter members an opportunity to apply for funding to assist them in meeting needs that can best be addressed through an interchange with another music librarian.

The proposal submitted (and accepted) describes a program that would encourage the sharing of information, expertise, and experiences of the members of this chapter with each other on a one-to-one basis as needed. The funding permits the partial support of travel and related expenses for exchange visits between music librarians and libraries.

Exchange visits might be proposed for the purpose of examining a particular aspect of music library life, to develop the background for a new project in your own library/libraries, to improve the overall operations of a library or libraries, or for professional growth (and for many other similar goals). It is possible that two librarians may apply together for an exchange, or, if an individual does not know a particular librarian who can best assist him/her, s/he can apply for an exchange with "another professional who has the appropriate expertise."

An ad hoc committee will provide additional information and guidelines for applications, which will be distributed at the Midwest Chapter meeting in Lexington, Kentucky. Applications will be due November-early December. If you are interested in this program--whether you have a specific project in mind, or just want to know more about it--and are unable to attend the chapter meeting, contact Allie Goudy, 108 Salle Hall, Western Illinois University, Macomb, Illinois 61455 (phone 309-298-1105; email MFAWG@UXA.ECN.BGU.EDU).

NEWS OF THE MIDWEST FLOODS:
A REPORT FROM THE UNIVERSITY OF IOWA

[Ed. note: A request was sent out by email asking for information about problems caused by the floods in the midwest. The following report from the University of Iowa is the only response received.)

The University of Iowa Music Library has been closed since July 6. The Music Building is built on a low spot along the Iowa River and water has been lapping at the doorstep on and off since then. Music Library staff are camped out in small quarters at the Main Library; music faculty are relocated to another building. To delay Library and Information Services basic services such as reserve or reference; if we continue to be "camped out" then we will arrange to pull necessary books so we can provide limited services when school starts Aug. 23. The condition of books in the Music Library seems OK; although the building is without air conditioning, a few dehumidifiers seem to be holding up. (submitted by Mary Jones)

NEW FACES, NEW POSITIONS

Richard Burbank has been promoted to Associate Professor, with tenure. His full title now is Music Catalog Coordinator & Associate Professor of Library Administration, University of Illinois at Urbana-Champaign. The promotion is effective 21 August 1993.

Charles Ebert was appointed Head of Audio Visual Service for the Muskingum County Library System (Zanesville, Ohio). Notice of this appointment was received too late to include a biography; we hope to do so in the January issue.

Lorna Young has been appointed Original Cataloger for Music at the University of Tennessee (Knoxville). Formerly Lorna was Music Selector/Cataloger at the University of Saskatchewan. Notice of this appointment was received too late to include a biography; we hope to do so in the January issue.

Thomas Zantow has begun his appointment as Head of Cataloging at Saginaw Valley State University in Michigan. Tom returns to the midwest after several years at the University of Maine. A complete biographical sketch will appear in the January issue.

Congratulations to each of them on their new appointment. We welcome them, Charles, Charles, Lorna, and Tom, to the Midwest Chapter area, and look forward to meeting them at the Lexington meeting.

Continuing education courses will replace

interest on the principal instead off the
operating budget.

members-at-large. Also at issue is the

approval of a new "corporate"

COMMITTEE REPORTS

*** Cataloging Committee (Mary
Husman)

Lynn Gullikson will step down from
her position as co-chair of the
committee, and Phyllis Schonover is
retiring. Several people attended the
committee's open meeting. There was a
discussion of issues of current concern to
catalogers, an announcement of new
publications of interest to catalogers, and a
discussion of ideas for future meetings.
The cataloging committee sponsored the
Saturday morning session on authority
control in music librarianship at this
year's annual meeting.

*** Membership Committee (Sue Stanu)

The committee carried out a project
in late August to publicize the 1992
annual meeting in the St. Louis area. A
letter of invitation, preliminary program,
and registration form were sent to about
forty libraries and networks in Missouri
and Illinois. The committee's project for
the coming year will be to produce a
brochure that can be distributed to
prospective members of the chapter.

[Allie requested that any members
possessing a copy of the chapter's old
membership brochure send it to her].

*** Preservation Committee (Therese
Zoski)

Ten people attended the open
meeting of the committee. Peter
Munstedt resigned as co-chair. The
committee will be communicating
with chapter members through articles in
Midwest Note-Book.

*** Public Services Committee (Leslie
Troutman)

Plans are being made to sponsor a
joint program with the Cataloging
Committee directed toward librarians
who work in both areas. The committee
will work on a project to compile a
directory (either online or print) of song
indexes created in-house. A
questionnaire soliciting information on
such locally created tools is being drafted
and will be distributed through the
newsletter. A project to update the
bibliographic competencies for
undergraduate music students that was
done in 1984 by the chapter's
Bibliographic Instruction Committee and
publishes to the chapter and discussed.
Thirteen people attended the
committee's open meeting.

ELECTION RESULTS

Allie thanked the Nominating
Committee (Bob Acker, Bonnie
Boettcher, and Linda Hartig, Chair)
Leslie Troutman will serve as the new
Vice-Chair/ Chair-Elect of the Midwest
Chapter.

NEW BUSINESS

Allie led the discussion of new
business topics.

1. Future meeting sites. The
1993 annual meeting will be held
in Lexington, KY, 21-23 October. Lew
Bowling is in charge of local
arrangements. The chapter has received
and invitation to meet at Illinois Wesleyan
in 1994. Those interested in hosting a
chapter meeting should submit proposals
to Allie.

2. Chapter history. There was
discussion about the chapter's 50th
anniversary celebration. A definitive
history of the chapter has never been
recorded. Rick Jones has been
investigating and found that there is
some question concerning the year that
the Midwest Chapter began, making it
a little difficult to plan an anniversary
celebration. Allie called for volunteers to
work on a chapter history--members who
are interested should contact her.

3. A discussion took place
about possible ways to attract new
members to the chapter at annual meeting
terminology. Ian Fairclough
suggested exhibiting at state library
meetings, possibly in conjunction with
MLA, or sponsoring programs at state
library meetings. He would like to hear
from anyone with similar interests.

Meeting adjourned at 1:45 p.m.
