CHAPTER CHAIRMAN'S REPORT

   It is with regret that I must inform the Chapter that Ms. Linda Dobbs has
   found it necessary to resign her post as Secretary-Treasurer for the Chapter. Ms.
   Lenore Coral, Music Librarian, University of Wisconsin-Madison has agreed to act
   as a temporary replacement until we can elect a successor at the meeting in Bloom­
   ington, Ill. in October.

   It is my sincere hope that you will find the program at Bloomington as
   promising as I have and that you will make every effort to attend. Steve Fry and
   Glenn Patton have been working for over a year to provide an interesting and well
   arranged program.

   There are several details of business which we must transact at lunch on
   Friday and I hope you will refer back to the NEWSLETTER NO. 13 for some of the matters
   which will be discussed. One problem is the size of the Chapter. Another is the
   possibility of State Chapters to supplement the annual meeting of the Chapter. The
   problem of the publication of new numbers in the Explorations in Music Librarianship
   series has not been resolved.

   Most importantly, we do not have a meeting place for our 1975 meeting. The
   call for a contact with the Tri-State Library Association for a joint meeting in
   Chicago has gone unanswered. Do you feel that another joint meeting with this group
   would be beneficial? If so, please volunteer to work with us in establishing the
   necessary arrangements.

   See you in Bloomington!

Jack L. Ralston
