REVISION OF CHAPTER BYLAWS

In the fall of 1981 a Bylaws Committee was constituted and charged with conducting a review of the Midwest Chapter's current governance documents. At that time concerns centered around providing continuity in leadership and achieving greater efficiency in conducting the Chapter's programs and business. During the winter and spring the committee (Gordon Rowley, Chair; Daiud Fenske; Connie Nisbet Field; and Richard Jones, ex officio) carefully examined the Constitution and Bylaws adopted by the Chapter in October, 1970. Additional suggestions and comments were sought from individuals who recently held leadership roles in the Chapter, and specific recommendations for revising the two existing documents were formulated.

As a result of the committee's work a few portions of the Constitution and Bylaws were modified only slightly to modernize language; other sections were substantially reworked in keeping with current operational practices of the Chapter, and a number of altogether new articles were drafted. Upon examining the proposed changes in detail, several key issues become apparent: (1) the membership classes, dues structure, and privileges of membership are more clearly defined, and a new category for student members is established; (2) an expanded roster of officers includes a Vice-Chairperson who shall serve for one year as Vice-Chairperson/Chairperson-Elect, then two years as Chairperson, and a final year as Past Chairperson; (3) an Executive Committee is formally organized; (4) the committee structure is more fully developed, and duties of each group are outlined in greater detail; (5) a parliamentary authority is adopted; and (6) the entire Constitution and Bylaws are streamlined into one document instead of two. In addition to resolving areas of initial concern, the committee believes that these revisions bring the Chapter's operation into greater harmony with that of the Music Library Association at the national level.

In accordance with the Chapter's current procedure for recommending amendments in the governance structure to the membership, the full text of the proposed document is presented here so that it may be studied prior to the upcoming fall Chapter meeting in October. Mail ballot instructions are also included. The specific modifications being proposed at this time are indicated in the text which follows: underscored words are to be added, struck-through words are to be deleted.

Gordon Rowley
Chairperson
Bylaws Committee
