Total			\$5,130 ⁴
Total Request			\$1,200

¹ Average cost of German translation based on services offered by different companies and individual contractors discovered via the World Wide Web.

² Calculating this cost based on the number of words makes the most sense because the Yiddish text is printed in the music for each song. Average cost of Yiddish translation determined in the same way as German translation.

³ This is the amount I would be paid for teaching one summer course during this time period.

⁴ I am looking into other grant possibilities to cover the amount not funded by a Gerboth Grant. Probable sources include: NEH Public Scholar Program (Deadline: Feb. 2016), NEH Summer Stipends (Oct. 2015), AMS Janet Levy Fund (Mar. 2016).
