

What support will you receive?

With Seetec Outsource apprentices get a learning plan tailored to their organisation and role.

Learners also receive full support from an experienced development coach and undertake 'blended learning' which includes activities such as:

Individualised learning

Collaborative learning

1-2-1 coaching

Research

Reflective practice

Assignments

Work shadowing

Mentoring

Workbooks

Industry visits

Self-directed learning

Seminars

On completion, learners will receive an ESFA apprenticeship certificate and can apply for associate membership of the Institute of Employability Professionals.

Apprenticeships with Seetec

Seetec Outsource is part of the Seetec Group, which has over 35 years' experience as one of the UK's leading providers of employment and skills.

We can help you to access apprenticeship opportunities and government funding.

Next step

To find out more about our employability practitioner apprenticeship, available funding and how to apply, contact Seetec Outsource today for a no obligation discussion.
