2013 ANNUAL REPORT
REPORTING OCTOBER 1, 2012 – SEPTEMBER 20, 2013
Dear NAADA Members,

On behalf of the Board of Directors, I am proud to present the annual report of the National Agricultural Alumni and Development Association (NAADA). As you read through this document, you should have a solid sense of the stability of our organization. From the amazing accomplishments to the strong financial reports—NAADA is a very healthy organization!

A major component in the stability and growth of NAADA is the annual planning process implemented by the board five years ago.

This process was initiated to ensure that each part of the organization’s structure does its job—the board sets objectives and priorities, the committees plan activities and implement them within those Board-approved objectives and according to the priorities determined by the board, the Board approves activities and the supporting budget, staff implement activities and monitor the financial management throughout the year, and the board reviews the success of the organization’s activities. The current annual plan is featured beginning on page 4 of this report, with highlights of accomplishments following on page 5. Probably the most significant accomplishment over the last two years (and there are many!) would be our financial stability. Last year saw a profit of $29,257—an increase of more than $10,000 from the previous year. This is due to close monitoring of the budgets by the board and staff, increase sponsorship, conference attendance and membership fees. This stability gives our organization more flexibility to enhance member benefits through innovative programming—more on that in the coming year.

It’s an exciting time to be part of NAADA, and I thank each and every member for your support. As I complete my term as president, I fill confident that I am passing along a vibrant, engaging, and financially stable organization to our next president.

Thank you to the Ewald staff and our volunteers for your contributions and leadership. It does indeed take a team to build and grow such a successful organization.

Sincerely,
Jillian Stevenson, President, 2012-2014
NAADA

The leadership of NAADA is comprised of Committee Chairs, Track Representatives, Board Officers, and At-large Members.

**NAADA ANNUAL PLANNING PROCESS**

In October 2009, the NAADA Board of Directors adopted an annual planning process. The steps involved in an annual cycle ensure that each part of the organization’s structure does its job—the Board sets objectives and priorities, the committees plan activities and implement them within those Board approved objectives and according to the priorities determined by the board, the Board approves activities and the supporting budget, staff implement activities and monitor the financial management throughout the year, and the Board reviews the success of the organization’s activities. The completion of an annual work plan gives the organization a sense of direction for the year, and assures that activities can be adequately financed. The staff and committees then assume responsibility for the implementation of the work plan as outlined, with the budget as approved by the Board. Below is the current work plan, in priority order, as established by the board at its June 2012 meeting.

2013 marks the fourth full year that NAADA has operated under the accrual method of accounting with a fiscal year of October 1-September 30. The organization continues to be financially stable due to close monitoring of budgets by volunteer leaders and staff. With total assets of $120,000, NAADA has 9 months of emergency expenses which is well within the industry standard of 6-12 months.

NAADA typically approves a break-even or slightly positive budget and has been able to turn a profit of a few thousand dollars in previous years. In 2013, the fiscal year concluded with a $29,257 profit. The total annual expense of $160,610 was offset by $188,515 in total income. The Annual Conference was held in Washington DC and had near-record attendance and the Sponsorship program exceeded their revenue target by more than $15,000. At the Fall Board Meeting a resolution was passed to use a portion of that profit to create an Operational Reserve Fund to invest in activities that enhance member value.

In FY 2012-13 NAADA made the decision to move the endowment and restricted funds to Wells Fargo Advisors to better manage the funds. The funds are now being invested as a lump sum to both gain additional exposure to new fund classes and reduce overall risk. While the funds are invested together, the balances are being tracked so they can be dispersed in accordance with each donor agreement.

NAADA currently has several endowment and pseudo-endowment funds that support the activities of the organization, including:

- NAADA Legacy Fund: restricted fund was established in 2004 to support NAADA’s educational programs. Current Balance: $26,817.
- Jane Longley-Cook Awards Endowment: established in Jane Longley-Cook’s honor with matching support from NAADA and Bob Bickford in order to recognize volunteer contributions to the organization. Current Balance: $12,960.

2013 CONFERENCE RECAP

The 2013 NAADA Annual Conference, was held at the Crowne Plaza Old Towne in Alexandria, VA on the doorstep of the nation’s capital. The theme for the 38th annual conference was “Shaping the Future...Facing the Challenges and Leading the Change”

The planning committee, led by Paul Willis, welcomed more than 200 NAADA members and guests for a conference that leveraged the connections and resources available in the Washington DC area. The group collaborated to develop a program packed with inspiring speakers, motivating educational sessions and interesting, educational— and just plain fun—tours.

The pre-conference event was a tour of the major sites of Washington DC. The tour included stops at the White House, Library of Congress, several war memorials, the Arlington National Cemetery and more.

The conference kicked off with keynote speaker Mike Martin, Chancellor at Colorado State University. David Weerts, Associate Professor and Director, Jandris Center for Innovative Higher Education, Department of Organizational Leadership, Policy, and Development, University of Minnesota – Twin Cities was the Bob Bickford Lecture speaker. David shared state his research on the impact of financing of higher education, university-community engagement, and alumni giving and volunteerism.

Attendees had several tour options that were lead by alumni from member institutions working in the DC area:

- Smithsonian National Zoo Tour
- National Gallery of Art Sculpture Garden and Greenhouse Tour
- U.S. Botanic Garden Tour
- Urban Forestry Tour

Spirit Night featured a private dinner and tour of George Wash-

- ington’s plantation at the Mount Vernon Estate on the banks of the Potomac River. Clemson alumnum and longtime horticulturalist at Mount Vernon, Dean Norton gave the attendees a history lesson of the grounds and led all on a tour of the Washington Gardens. The evening concluded with a special showing of primitive firearms and picture opportunities on the banks of the river. A good time was had by all!
