RE: Governor Wolf Order 3/19/2020 for Closure of All Non-Life Sustaining Businesses
Essential Business Employee

To Who it May Concern:

_____ is an employee of the York County Bar Association/The York County Bar Foundation.

The organization is exempt in three of the industry groups in Governor Wolf's Order for Closure of All Non-Life Sustaining Businesses (see below as of 3/23/2020): Publishing (weekly legal journal of notices that must be published by statute), Legal Services (limited support for essential court operations) and Grant Making.

In compliance with the Order, the building is closed to the public and staff are working for the most part remotely by email, text and phone. However, as certain tasks cannot be handled remotely, staff have subsequently been assigned specific days of the week to work in the office on a rotating schedule.
