The National Association for County Community and Economic Development (NACCED) is a technical and educational resource for county government professionals administering federally-funded affordable housing, community development, and economic development programs. NACCED also serves as an advocate in Washington on community development, economic development, and affordable housing policy impacting its members, particularly the CDBG and HOME programs.

NACCED's mission is to:

- Educate and train local government community development and affordable housing leaders
- Provide a peer-to-peer network of industry professionals
- Serve as a voice in Washington on budgetary, programmatic, and regulatory issues pertaining to community development, economic development and affordable housing
- Educate the public on the value of affordable housing and community development investment

NACCED is a proud affiliate of NACo since 1978
