

### CHECK GUARANTEE

Minimize the risk of fraudulent checks and eliminate collection headaches with our check guarantee services.

### CREDIT CARD MERCHANT SERVICES

Whether your concern is interchange management, PCI compliance, credit card fraud or other critical topics, allow Vanity, now **worldpay**, and UTA to examine ways to minimize your risk and processing costs.

### CREDIT CARD SURCHARGING

Eliminate the cost of expensive credit card acceptance fees while adhering to compliance requirements by using **worldpay** and UTA's industry-leading fully automated surcharge solution for credit card payments accepted over the phone, at the Point of Sale or for Online Bill Payment.

### ACH PROCESSING/VIRTUAL TERMINAL

Enables you to receive funds from your customers quickly and safely in a secure internet environment without prior bank set up.

### ONLINE BILL PAY/ VIRTUAL TERMINAL

Empower your company to accept customer-initiated credit card and ACH payments with remittance advice via your website.

### REMOTE DEPOSIT CAPTURE

Imagine, no more trips to the bank, never having to worry about chargebacks, returned checks, per check deposit fees, returned check fees or bank fees.

### MOBILE DEPOSIT

Guarantee and deposit your customer's checks anytime, anywhere, 24/7 with UTA's Mobile Deposit Solution.

### CANADIAN ACH

A powerful tool for businesses that want to initiate and receive electronic payments from customers with Canadian bank accounts in Canadian currency.
