

NADCO Insurance Program

Management Liability Insurance Protection for Certified Development Companies.

Endorsed by NADCO and approved by the SBA, this program offers industry-tailored coverage to meet the specific liability needs of CDCs.

As a Certified Development Company, you play a vital role in promoting growth and prosperity within your community by providing loans that enable entrepreneurs and small business owners to expand and thrive. Without sufficient insurance coverage, economic risk can impede your mission.

In partnership with the National Association of Development (NADCO), this customized policy protects Certified Development Companies by offering four key coverages under one competitively priced policy – Directors and Officers Liability (D&O), Employment Practices Liability Insurance (EPLI), Professional Liability (E&O), and Cyber Liability (Limited).

ERRORS AND OMISSIONS LIABILITY INSURANCE (E&O)

Protects against claims alleging errors and/or omissions resulting from the packaging and servicing of SBA 504 loans, and other similar loans.

DIRECTORS' & OFFICERS' LIABILITY INSURANCE (D&O)

Protects the CDC as an organization, its previous, present and future Directors, Officers, employees, volunteers, and Trustees.

EMPLOYMENT PRACTICES LIABILITY INSURANCE (EPLI)

Protects against claims such as wrongful termination, discrimination or harassment from employees and volunteers.

CYBER LIABILITY INSURANCE (LIMITED)*

Protects against losses from a variety of cyber incidents.

**The above cyber liability coverage is meant to be supplemental cyber insurance and not a replacement for a stand-alone cyber liability policy.*

BACKED BY A FINANCIALLY STRONG INSURER

The NADCO Management Liability Insurance Plan is underwritten by Lloyd's of London, an A.M. Best, A+ rated insurer. Lloyd's of London has a history dating back more than 300 years, and has grown to be the world's leader for specialty insurance.

EXPERTISE IN CLAIMS HANDLING

Both the insurance carrier and claims counsel have been working with NADCO for several years and are well versed in the needs of your industry.
