## **CARES Act Frequently Asked Questions and Answers**

**April 4, 2020**

Over the past few weeks NADCO has fielded a wide range of question on deferments, the CARES Act, Small Business Debt Relief provisions and the Paycheck Protection Program (PPP). We have created a subpage on the NADCO COVID-19 website where you can find a list of these frequently asked questions. NADCO continues to work with the SBA and Central Service Agent (CSA) through these unprecedented times. We remain committed to getting your questions answered and encourage you to stay tuned to both NADCO emails and the NADCO COVID-19 website. We will continue to provide additional guidance and update the FAQs as guidance is received.
