5) Action in Writing in Lieu of a Meeting. Any action required or permitted to be taken by the Board or any committee thereof may be taken without a meeting if all Members of the Board or the committee consent in writing to the adoption of a resolution authorizing the action. Article VIII. Conflict of Interest and Compensation

NAEP Officers, Directors, and volunteer leaders are subject to a conflict of interest policy as approved by the Board of Directors and maintained in the regular course of business. Such policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

B) Definitions.

1) Interested Person. Any Director, officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

- a) An ownership or investment interest in any entity with which NAEP has a transaction or arrangement,
- b) A compensation arrangement with NAEP or with any entity or individual with which NAEP has a transaction or arrangement, or
- c) A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which NAEP is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the Board of Directors or appropriate governing committee duly deems that a conflict of interest exists.

3) Procedures.

- a) Duty to Disclose. In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and

be given the opportunity to disclose all material facts to the Board of Directors and members of committees with governing Board delegated powers considering the proposed transaction or arrangement.

- b) Determining Whether a Conflict of Interest Exists. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, s/he shall leave the governing Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

c) Procedures for Addressing the Conflict of Interest

- 1) An interested person may make a presentation at the governing Board or committee meeting, but after the presentation, s/he shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- 2) The Chair of the governing Board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- 3) After exercising due diligence, the governing Board or committee shall determine whether NAEP can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.
- 4) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing Board or committee shall determine by a majority vote of the disinterested Directors whether the transaction or arrangement is in NAEP's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

d) Violations of the Conflict of Interest Policy

- 1) If the governing Board or committee has reasonable cause to believe an individual has failed to disclose actual or possible conflicts of interest, it shall inform the individual of the basis for such belief and afford him/her an opportunity to explain the alleged failure to disclose.
- 2) If, after hearing the individual's response and after making further investigation as warranted by the circumstances, the governing Board or committee determines the individual has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

- 4) Records of Proceedings.** The minutes of the governing Board and all committees with Board delegated powers shall contain: (a) The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing Board's or committee's decision as to whether a conflict of interest in fact existed; and (b) The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.
- 5) Compensation.**
- a) A voting member of the governing Board who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
 - b) A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from NAEP for services is precluded from voting on matters pertaining to that member's compensation.
 - c) No voting member of the governing Board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from NAEP, either individually or collectively, is prohibited from providing information to any committee regarding compensation.
- 6) Annual Statements.** Each Director, officer and member of a committee with Board delegated powers shall annually sign a statement which affirms such person: (a) has received a copy of the conflicts of interest policy, (b) has read and understands the policy, (c) has agreed to comply with the policy, and (d) understands NAEP is a charitable organization and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.
- 7) Periodic Reviews.** To ensure that NAEP operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:
- a) Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining.
 - b) Whether partnerships, joint ventures, and arrangements with management organizations conform to NAEP's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

- 8) Use of Outside Experts.** When conducting periodic reviews, NAEP may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the governing Board of its responsibility for ensuring periodic reviews are conducted.

Article IX. Indemnification

- A) General.** To the full extent authorized under the laws of New York, NAEP shall indemnify any Director, officer, employee, or agent, or any person who may have served at NAEP's request as a Director or officer of another corporation (each of the foregoing is referred to in this Article individually as an "indemnatee"), against expenses actually and necessarily incurred by such indemnatee in connection with the defense of any action, suit, or proceeding in which that indemnatee is made a party by reason of being or having been such member, Director, officer, employee, or agent, except in relation to matters as to which that indemnatee shall have been adjudged in such action, suit, or proceeding to be liable for negligence or misconduct in the performance of a duty. The foregoing indemnification shall not be deemed exclusive of any other rights to which an indemnatee may be entitled under any bylaw, agreement, resolution of the Board of Directors, or otherwise.
- B) Expenses.** Expenses (including reasonable attorneys' fees) incurred in defending a civil or criminal action, suit, or proceeding may be paid by NAEP in advance of the final disposition of such action, suit, or proceeding, if authorized by the Board of Directors, upon receipt of an undertaking by or on behalf of the indemnatee to repay such amount if it shall ultimately be determined that such indemnatee is not entitled to be indemnified hereunder.
- C) Insurance.** NAEP shall procure and maintain insurance on behalf of any person who is or was a member, Director, officer, employee, or agent against any liability asserted against such person and incurred by such person in any such capacity or arising out of such person's status as such, whether or not NAEP would have the power or obligation to indemnify such person against such liability under this Article.

With respect to such transactions, "entire Board" and "all, or substantially all" must be documented and defined.
