The CARES Act tasks the Small Business Administration with overseeing the distribution of millions of dollars in loans and grants to help small businesses survive the pandemic. It also provides additional funding for SBA’s Resource Partners to provide advice and training to help small businesses respond to the unprecedented challenges in communities throughout the country.

**Paycheck Protection Program**

**What is the Paycheck Protection Program (PPP)?**
A new $350 billion loan program at SBA for small businesses, self-employed, and gig workers to help them from going under due to the COVID-19 pandemic. If employers maintain payroll, the loans would be forgiven.

**Who is Eligible?**
- Any business concern, cooperatives organization, veteran-owned organization, or Tribal business concern that employs no more than 500 employees (or the size standard in number of employees established by the Administration for the industry in which such business operates)
- Sole proprietors
- Independent contractors
- Self-employed individuals

**How Does the Process Work?**
All current SBA lenders are eligible lenders. Plus, the Department of Treasury will authorize new lenders to help expedite the processing and delivery of capital to small businesses.

**How Can I Apply?**
SBA’s Lender Match Portal.

**How Much?**
The size of the loan is 250% of an employer’s average monthly payroll cost during the period Feb. 15, 2019 to June 30, 2019, capped at $10 million.

**How Can I Use It?**
- Employee compensation, including: salaries, wages, commissions, or similar compensation; cash tips or equivalents; vacation, parental, family, medical, or sick leave; payment required for providing group health care benefits (including insurance premiums); payment of retirement benefits; and payroll taxes.
- Any compensation or income of a sole proprietor or independent contractor no greater than $100,000 in one year
- Payment of interest on mortgage obligations, rent, utilities, and interest on pre-existing debt obligations
