Login to naggl.org
Go to Manage Profile
Select Invoices icon (click)

Takes you to invoice record page: OPEN invoices show by default, BUT – if you need to print a paid invoice (receipt) for expense reporting purposes, etc., Use the Filter by status drop-down menu.
Filter by Status options will help you locate all transactions attached to your profile (since 2/2015):

PAY an OPEN Invoice [or print an open invoice for check payment]:

Select the invoice you want to pay by checking the box & clicking Pay Selected Invoices and complete the credit card payment information form and hit Submit Payment.
