2022 LEADERSHIP SUMMIT - WHAT TO EXPECT

EVENT OVERVIEW

As we continue to face the latest challenges from COVID-19 variants, we understand that attending in-person may not be the right decision for every attendee. The wellbeing of our attendees continues to be at the forefront of our planning which is why once again this year’s Leadership Summit will be a hybrid event with both the in-person and virtual attendee experience running simultaneously.

Please read through the current details about what you can expect as an in-person attendee and as a virtual attendee so that you can make an informed decision about which type of attendance is right for you. And, please remember that changing circumstances may cause revisions to our current plans.

ALL ATTENDEES

EVENT PLATFORM

The 2022 Leadership Summit Event Platform will be accessible to both the in-person attendees and virtual attendees.

Within the Event Platform all attendees will be able to access the agenda and other event-related information and materials, communicate on the virtual wall, connect digitally with both in-person and virtual attendees, and more.

During the event, all attendees, including in-person attendees, will have access to live broadcasting of the event using the Platform.

SESSIONS

General session speakers and panelists may be both live in-person at the host hotel or virtual from other areas of the country.

IN-PERSON ATTENDEES

EVENT LOCATION
Grand Hyatt San Francisco
345 Stockton St, San Francisco, CA 94108

Book in NAGGL’s Hotel Block >

REQUIREMENTS TO ATTEND IN-PERSON

1) Attendees must certify they have been fully vaccinated - Individuals may attend the in-person Event only if they certify that they have received at least two (2) inoculations of the Pfizer or Moderna vaccine, the second being no later than July 5, 2022; or, if they received the J&J vaccine, that they certify that they received at least one (1) vaccine on or before July 5, 2022. Booster shots are not required at this time. If you do not meet the minimum vaccination requirement, we hope that you will consider attending via the virtual option.

All attendees, speakers and staff will be required to upload proof of vaccination through a HIPAA-compliant, third-party system prior to arriving on site. Any attendee who does not complete this step will not be allowed to participate in any in-person activities.
2) **Attendees must complete the In-Person Liability Waiver** – Attendees must read and sign the Attendee Liability Waiver to indicate their agreement to its terms. Any individual who has not completed the form will not participate in the in-person event.

3) **Attendees must agree to follow COVID-19 Safety Protocols** as mandated or recommended by the CDC, local health authorities, Hyatt and/or NAGGL. These guidelines may include, but are not limited to, social distancing practices and mask mandates. Guidelines are subject to change up to the date of the event.

4) **Attendees must assume the risk of In-Person Attendance** - Due to the ever-changing and, sometimes inconsistent guidance from local, state and federal authorities, at the time of the Event, safety protocols may be increased, relaxed, or in certain cases, dispensed with entirely. Because of the uncertainty of the impact that any specific COVID-19 protocols may have on the risk of infection, each attendee agrees to assume such risk.

**CURRENT GUIDELINES**

- Based on guidance at this time (4/29/22), which may be subject to change, in-person attendees can expect that the general session room and luncheons may accommodate as many as 120 individuals. Seating may not be spatially distanced.
- All individuals and accompanying guests attending the in-person event will be required to submit proof of vaccination through CrowdPass – a HIPAA-compliant, third-party vendor that will verify vaccination records.
- Please review [Hyatt’s Safety Protocols](#).
- Attendees must review and consent to the COVID-19 Safety Information, Assumption of Risk and Liability Waiver at the time of registration.
- Attendees are required to agree to self-monitor for potential symptoms during and for two-weeks following the event. Should you experience symptoms, please report symptoms via NAGGL’s COVID-19 Form.

**VIRTUAL ATTENDEES**

NAGGL is excited to welcome virtual attendees to this year’s Leadership Summit. Events will take place live from the Grand Hyatt in San Francisco beginning on July 19 and concluding on July 20. Since this event will be hosted from California, the schedule of events will be based in Pacific Time.
WHAT TO EXPECT VIRTUALLY

All virtual sessions will be hosted through Cisco Webex. Each session will have an individual link and attendees should follow the live session link located in the Agenda to access the session.

Both General and Breakout Session panelists may be either live in-person at the host hotel and virtual from other areas of the country. Just like our in-person attendees, virtual attendees will have the ability to ask questions and interact as if they were in-person. Virtual attendees can also utilize the chat-feature to ask questions of the presenters.

Virtual attendees will able to participate in both General Session and Breakout Sessions as indicated on the Event Platform Agenda.

IN-PERSON EDUCATION COURSES (POST-SUMMIT EVENT)

NAGGL is excited to offer (4) four onsite, in-person training courses at the Grand Hyatt San Francisco on July 21-22. Registration for the courses is separate from Leadership Summit registration.

The number of attendees able to participate in each course will be limited and seating will be spatially distanced when possible. We recommend registering early for courses, as the demand is high.

All education participants will be required to follow the protocols set in place for in-person conference attendees including:

- Completing the COVID-19 Information and Consent Waiver
- Uploading proof of vaccination into CrowdPass prior to traveling onsite

Any attendee who does not complete the requirements will not be able to participate in any onsite events.

Please take note of the ‘Current Guidelines’ section in the materials above, which outline the latest COVID-19 safety policies in place. Information regarding check-in and materials will be sent to confirmed course attendees closer to the event date.

If you have any questions regarding our in-person courses, please contact us at info@naggl.org.
