## Message From Your Delegate

Hello SOUTHEAST!

For those of you that have not met me at the NAHAM Conference in Orlando, let me introduce myself. My name is Cheryl Bucz, and I am honored to accept the role as your new Southeast Regional Delegate! I currently work as a Patient Access Manager at Baxter Regional Medical Center in Beautiful Mountain Home Arkansas. I have been in Patient access for over 22 years.

I am so excited to get started in this new role and represent the entire Southeast Region of Healthcare Access! Together I really feel that we can make a difference. I am a firm believer that we need to investigate ways that we can streamline our front end processes, which in turn will decrease our turnover. (I recognized this as one of the top concerns of many at the conference).

Please make sure that you attend a conference or connect with your state affiliate at least once this year if you have not done so already. I know it is so very hard to get away from the office but I promise you that it will be worth it! I have received some information from our State Reps on upcoming meetings. PLEASE try to attend once... Together we can make a difference!

Please sign on to the NAHAM website often to look for important dates coming up. I look forward to hearing from you.

# NAHAM's Partnership with Affiliate Organizations

NAHAM is proud to support our state and regional affiliate organizations. We understand the value of being able to receive education and networking locally and appreciate the work of affiliate organizations to provide those opportunities to Patient Access professionals. While affiliate organizations don't have any formal relationship with NAHAM (we don't provide financial assistance or have any authority over activities in the affiliate organizations), we're proud to provide support and assistance to our affiliates. The support we provide includes:

- The **NAHAM Affiliate Toolkit** and supporting resources including sample bylaws, articles of incorporation and conference planning resources
- Access to a **NAHAM regional delegate** to serve as liaison to the State Association. The regional delegate will serve as a point of contact to keep state leadership informed of NAHAM activities, to provide support and guidance and to solicit input and feedback from affiliate leaders
- NAHAM review of affiliate organization bylaws to provide recommendations when needed; (please note that NAHAM does not have the authority to approve or insist on bylaws changes)
- Promotion of affiliate events on the **NAHAM website calendar**
- Participation in the NAHAM Affiliate Advisory Council, with quarterly conference calls to provide updates on NAHAM activities and to allow affiliate leaders to communicate with each other.
- Access to a **State Leaders' discussion forum** on the NAHAM website
- Ability to apply for **NAHAM continuing education credits** for affiliate organization meetings for no cost
- *Coming soon*, a speaker database
- The NAHAM Ambassador, **Maxine Wilson**, to assist with all aspects of running an affiliate, from getting started to planning conferences to recruiting members.

NAHAM is committed to providing education, networking and career resources for Patient Access professionals, and we're happy to support affiliate organizations as part of this effort.

# Get Involved! Join a NAHAM Committee

The **NAHAM 2019 Call for Volunteers** is open through July 15, 2019! NAHAM is recruiting new committee volunteers who are enthusiastic to get involved, eager to make a difference and committed to enhancing the patient access services profession. We are looking to recruit new volunteers for each of the following committees:

**Certification Commission**  
**Conference Committee**  
**Education Committee**  
**Industry Standards Committee**  
**Membership Committee**  
**Policy Development/Government Relations Committee**  
**Publications/Communications Committee**  
**Strategic Projects Committee**

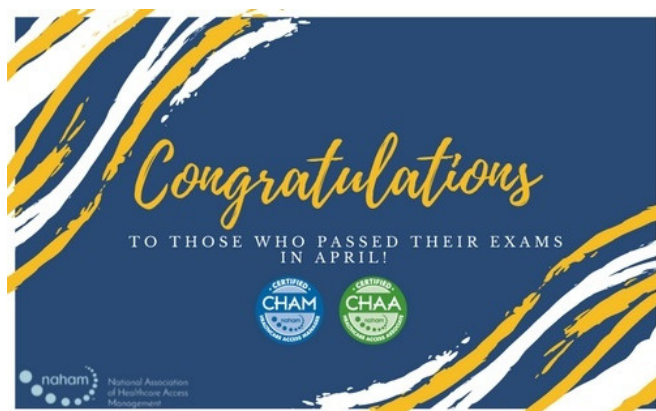

Visit the **NAHAM website** to learn more about each of the committees, including specific committee-related activities, and committee member roles and responsibilities prior to applying. You must be a current member to NAHAM to apply and you must maintain your membership status during your term if you are appointed to a committee. The Call for Volunteers will close Monday, July 15, but don't wait, **apply today!**

## Congratulations to NAHAM's Newest Certificants!

# Take Advantage of NAHAM Career Center

The NAHAM Career Center offers members a number of advanced features - the most important being the job board which is designed for those seeking positions in patient access services. We offer a job alert system that notifies job seekers by email of new opportunities matching their search criteria. This means job seekers will never miss new opportunities!

By providing both active and passive job seekers the ability to anonymously post their resumes, our service allows job seekers to stay connected to the employment market while maintaining full control of their confidential information.

The online career center also offers many features to employers seeking to fill open positions. Employers also have the ability to create a free company profile, explaining their organization and the work environment in detail.
