

*The City in the Middle of the Night* by Charlie Jane Anders 2/12/19 HC  
9780765379962

A strange and haunting futuristic sci-fi tale set on a distant planet humans have colonized which is not turning out to be as amenable to human habitation as we initially thought. Two very different women may be the keys to survival in this brutal, dangerous world.

Spectacular, amazing and diverse blurbs are in from Daveed Diggs (actor, Lafayette/Jefferson in *Hamilton*) "I fucking love this book"; Andrew Sean Greer (Pulitzer Prize winning novelist of *Less*) "This generation's LeGuin"; Audrey Niffenegger (author of *The Time-Travelers Wife*) "wildly inventive"; Robin Sloan (author of *Mr. Penumbra's 24-Hour Bookstore*) "a classic"; Edan Lepucki (author of *California*) "stunning"; Anthony Rapp (actor *Rent*) "highly recommend."

*The Remarkable Journey of Coyote Sunrise* by Dan Gemeinhart 1/8/19 HC  
9781250196705

Coyote and her father have been driving around the country in a converted school bus, literally running from grief after her mother and two sisters were killed in a car accident. Until the day her grandmother tells her a local park back home is going to be demolished—the park where she and her sisters and mother buried a memory box shortly before their death. She has to get back, but she knows her father will have to be tricked into it. He'll take her anywhere, except home.

*Prairie Fires* by Caroline Fraser 8/7/18 TP 9781250182487

The first comprehensive mainstream biography of Laura Ingalls Wilder since the 1970s.

Winner of the Pulitzer Prize.

Winner of the National Book Critics Circle Award.

Winner of the *Chicago Tribune* Heartland Prize for non-fiction.

One of the *New York Times Book Review's* 10 best books of the year.

*Kitten Construction Company: Meet the House Kittens* by John Patrick Green 9/4/18 HC 9781626728301

Marmalade, Sampson, Bubbles and Professor von Wigglebottom are the House Kittens construction crew, and they build a new mayor's house, even though everyone just thinks they're too adorable.

Have you ever heard of a cuter premise? Admit it, you haven't. They wear tiny, kitten-sized construction helmets! They drown their sorrows in saucers of milk after a long day in the office! They have demanding careers AND they chase butterflies! These kittens are having it all.
