

Do you have a plan to move your people

past VACCINE HESITANCY?

MY MOVE can help.

WEB-BASED HESITANCY GUIDANCE

My Move is an evidence-based program that gives participants the opportunity to voice their concerns and opinions and clarify their thoughts and intentions about getting a COVID vaccine. The platform reaches educators, staff, and families where they are, providing completely anonymous guidance.

EASY TO IMPLEMENT

My Move is easy and inexpensive to implement. Just sign up, enter a little information to customize My Move for your populations, and give people a link.
