NAPABA's programs have facilitated the growth and development of countless attorneys—from law students landing their first job, to lawyers achieving partnership or C-Suite positions at Fortune 1000 companies, to the appointments of judges and senior policymakers.

This program is hosted in parallel with the In-House Counsel Summit, providing law firm partners an opportunity to expand their network and demonstrate support for current and former public company senior and experienced in-house NAPABA attorneys who seek to elevate into general counsel positions at Fortune 1000 companies. Attendance is limited to law firm partners; however, sponsorship is open to both law firms and corporations.
