

Littler Mendelson, P.C.'s COVID-19 Task Force is here to help employers confront the workplace challenges related to the global spread of the novel coronavirus. With years of experience counseling clients worldwide on workplace safety and health, leave and accommodation, policies and procedures and other employment and labor law issues, our international team of attorneys can provide practical advice and strategies for these challenging times. Because the COVID-19 situation is dynamic, with new governmental measures each day, employers should consult with counsel for the latest developments and updated guidance.
