¹ You may want to include more than 25 petitioners on the list in case some of the petitioners are not current members of NAPABA or a NAPABA affiliate (in an abundance of caution, we have included 65 lines which you may or may not use).

² You are required to specify a "home" NAPABA affiliate, of which you are a member. It is important that NAPABA leaders be familiar with and sensitive to the needs and concerns of NAPABA's affiliates. If you are not a member of a NAPABA affiliate, you will need to include a statement explaining why you are not a member of an affiliate and how you might address any lack of familiarity with NAPABA affiliates and the needs, interests and concerns of affiliates.

NAPABA members who are not members of an affiliate must submit a petition signed by at least 30 NAPABA members in good standing.

If you live in an area in which multiple affiliates may be considered a "home affiliate," designate ONE affiliate of which you are a member as your home affiliate.
