

WHAT ARE YOU MOST LOOKING FORWARD TO DOING ONCE THE THREAT OF THE CORONAVIRUS HAS PASSED?

Tips submitted by NAPABA members

1

TIME OFF WORK

Taking some time off and having my home be a place of leisure and relaxation instead of my office. Additionally, I am looking forward to hanging out with my Asian Bar Association peeps in person instead of virtual happy hours.

2

GET SOME GOOD GRUB

After weeks of being indoors, I am looking forward to walk the streets of Manhattan and to see New York come back to life. Once we can go outside again, one of my first stops will be to my favorite Indonesian restaurant in Elmhurst, Queens followed by NYC's Koreatown and Chinatown.

HUGGING LOVED ONES

I am most looking forward to hugging every single one of my teammates at work and letting them know how much I appreciate being able to see them everyday! Never again will I take being able to hug another human being for granted again!
