**EXCITING NEWS ABOUT  
THE CONTAINER STORE'S  
NAPO REWARDS PROGRAM!**

**To all of our NAPO Partners,**

**Hello! We have an exciting update about our NAPO Rewards Program!**

In order to make it even easier for you to earn your NAPO Rewards while shopping with The Container Store in our stores or online, we can now link your NAPO ID to your POP! Account ID. This means you'll simply provide your POP! ID at checkout and your purchases will be properly tracked back to both your NAPO Rewards and POP! accounts. You will no longer need to present your NAPO ID at checkout.

Another great benefit is that if you forget to provide your POP! Account ID at the time of check out, all you have to do is show your receipt in any of our stores or call our Customer Solutions Department (1-800-CONTAIN) to add your order to your account.

**What we need from you in order to link your NAPO and POP! accounts:**

1. Please visit [containerstore.com/napo](http://containerstore.com/napo) and enter in your NAPO ID and POP! email address by December 30, 2016.
2. Once you see the confirmation page, moving forward you will ONLY be required to provide your POP! ID at the time of check out. You no longer need to provide your NAPO ID and POP! ID to earn NAPO Rewards and POP! Perks.
3. You can login to [containerstore.com](http://containerstore.com) and view all of your in-store and online transactions.

This will also provide us with your confirmed email address so that we can communicate specific NAPO Rewards Program updates, the status of your earned NAPO Rewards, special in-store events and more. As a reminder, you selected your email preferences when you registered to be a POP! Star.

#### **NAPO REWARDS PROGRAM REMINDERS**

Here are the benefits of The Container Store's NAPO Rewards program:

- You earn 10% back in the form of a NAPO Rewards Card on all regular priced or sale priced merchandise, TCS Installation and TCS Closets®, once you meet a \$3,000 annual

spend.

- The NAPO customer receipt displays the price you paid for the product (not a discounted price).
- No Photo ID is required - simply share your POP! ID Number with our Register Sales Person upon checkout.
- NAPO Members are able to use their 10% Reward as you see fit for your own business.
- Please continue to use your personal credit card or business credit card that includes your name. This will insure there are no tax implications when receiving your Rewards early next year.
- In order to receive NAPO Rewards, we must have your W-9 on file. Please send it to [napo@containerstore.com](mailto:napo@containerstore.com).\*

\*Why do we need this? If products are purchased by someone other than you, and you earn Rewards, The Container Store is required to submit a 1099 for those Rewards earned.
