

## NAQC News Flash

### Partnership for Prevention's New Request for Proposals

Dear NAQC Members,

Partnership for Prevention will award 5-8 state grants of \$20,000 to \$40,000 for the implementation of innovative strategies to increase access to tobacco cessation treatments. Funds are to be used primarily for the development of state alliances/summit meetings and the creation of strategic plans. Grant proposals must be submitted by **February 24, 2010**.

Click [here](#) to review the *Request for Proposals*.
